that is unaddressed but necessary, while others address sex and its connection with social evils and norms.

Surprisingly, rather than the scenes featuring Poonam, an erotic scene shot on the male protagonist and Sheetal Singh has the best sensual scene of the movie. You can watch it on Prime Video.

A revamp of Krzysztof Kieślowski's Polish film 'A Short Story about Love,' the movie spins around a 14-year-old kid who falls for a 26-year-old lady. Bharat is the only one Meera finds support in, but does his support even matter? The irony is that Meera’s past is secretly taken pleasure in by the very “men” who want her gone.
